

Israel, Prove You Are Not Nazis!

The HAMAS's sudden attack on 7, October, killing and abducting ordinary people is nothing but terrorism. But the bombardment of Gaza by Israel is a far greater terrorism. The HAMAS terrorism is a desperate action caused by the blockade of Gaza by Israel for so many years. Remember your ancestors were enclosed in Ghettos in European cities by Nazis. You must understand the agony of being besieged within a small area for so long.

Israeli people, prove you are not Nazis. I suggest the following methods

- (1) Lift the blockade of Gaza and let the non-HAMAS people flee into safety.
- (2) Build camps to accommodate the Gaza people fleeing from the combat zones.
- (3) Help the people of Gaza to rebuild their lives
